Other Deliverables

Everything required outside the five main pages: storyboard, assets list, source code repository, hosting link, and references.

Storyboard PDF

Two separate layout designs — one for mobile (min 600 px) and one for desktop (min 950 px). The live webpages match these layouts.

[Download storyboard-2301522.pdf](#)

Assets List PDF

Complete list of colours, fonts, images, and dimensions used across the site.

[Download assets-list-2301522.pdf](#)

Summary

Primary: #1F3A5F — RGB (31, 58, 95)

Accent: #F2A65A — RGB (242, 166, 90)

Background: #F7F7F7 — RGB (247, 247, 247)

Surface: #FFFFFF — RGB (255, 255, 255)

Text: #222222 — RGB (34, 34, 34)

Font family: Lora, serif

Desktop Storyboard 2

Root font-weight: 400

Icons: none (text labels only)

Images: utech-id.jpg – approx. 400 × 250 px; resume-2301522.png – 800 × 1035 px

GitHub Repository

All IA#1 source code, images, and deliverable files (including the storyboard PDF) are stored in my GitHub repository.
